I refer to your official information request dated 8 January 2025 seeking information about water loading points in Dannevirke for Domestic Water Carriers.

Our team advise that we currently do not have any formal official water take points in the district.

I have passed your contact details on to our Three Waters Manager who is interested in discussing your proposal with you.

Hi there, can you tell me where the water loading point is in Dannevirke for domestic carriers to use. I'm looking at setting up to service the domestic water market in your area. I believe the local fire brigade used to deliver water but no longer do so.
