CONDITIONS OF HIRE

- I will notify my neighbours and obtain their signatures confirming they are aware that I am setting a trap for feral cats. At a minimum, contact should be made with occupiers of every property adjoining the property where the trapping will take place.
- I will ask my neighbours if any cat I trap belongs to them.
- I will check the trap at least once a day and will not leave any trapped animal in the cage longer than 12 hours.
- I understand that I am responsible for all cats I catch in the trap including:
 - (a) identifying the cat as a stray, and not a pet
 - (b) checking with the SPCA about getting any healthy, tame trapped cats re-homed
 - (c) if the trapped cat is unsuitable for re-homing I am responsible for having the cat euthanized in a humane manner.
- I understand the trap is loaned to me for a period of two weeks (at any one time).
- If the trap is damaged or stolen while in my possession, I will pay for necessary repairs to the trap or a replacement trap potentially forfeiting the bond I have paid.
- I understand that if I fail to comply with any of the requirements of this agreement, Manawatu District Council may refuse to lend me traps in the future. Manawatu District Council may provide information to another party, about me loaning the trap, which could be used in prosecution against me.
- I understand that if I fail to comply with any of the requirements of this agreement Manawatu District Council may invoice me for all reasonable costs incurred for the Councils time associated with issues arising from any such breach.

I, _____, residing at _____,
agree to abide by the conditions of hire as detailed above.
