

# Application for disconnection of water, wastewater, or stormwater services

## Please read this first

This form will be scanned by electronic equipment. It is important that you:

- use a blue or black pen to mark your answers; and
- print clearly.

An estimate will be provided to carry out the disconnection of service and, upon return of the acceptance form, work will be programmed.

Once physical works are completed, you will be invoiced directly by Council at actual cost for each service requiring

disconnection as per the current Tararua District Council Fees and Charges.

Only Tararua District Council staff are permitted to work on the water/sewer mains, including water/sewer disconnections.

If reconnection of services is required at a later date, the applicant will need to apply for new connections by completing the necessary forms and paying the required fee. Forms are available at all Tararua District Council service centres.

## Applicant details *(Please print in CAPITALS)*

Title:  Mr  Mrs  Miss  Ms

First name of applicant

Surname of applicant
