Kia ora

I refer to your official information request dated 25 February 2025 for information relating to supplying waste for an energy-to-waste facility.

Our Solid Waste team confirm that our Council has not entered into any discussions and communication pertaining to the supply of waste to fuel an Energy from Waste or Waste-to-Energy facility with any of the parties listed in your information request. Therefore, under Section 17(e) of the Local Government Official Information and Meetings Act 1987 your request is declined as the information requested does not exist.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Subject: CM: Acknowledgement - request for information re supplying waste for waste-to-energy facility

Kia ora

This email is to acknowledge receipt of your request for information, regarding information relating to supplying waste for a waste-to-energy facility.

We will endeavour to respond to your request as soon as possible and in any event no later than 25 March 2025, being 20 working days after the day your request was

received. If we are unable to respond to your request by then, we will notify you of an extension of that timeframe.

As part of our commitment to openness and accountability, we are now proactively publishing copies of requests for information and the responses provided to these requests, on our website. In doing so, we will ensure we comply with the provisions of the Privacy Act 2020 and redact any personal / identifying information from any response published.

If you have any questions about this, please don't hesitate to get in contact with me.

Under the OIA 1982 I make the following request:

All information, discussions and communication pertaining to the supply of waste to fuel an Energy from Waste or Waste-to-Energy facility. This should also include discussions relating to the mass storage of waste for the purpose of fuelling a Energy from Waste facility, With the following parties:

- Smart Environmental Limited
- South Island Resource Recovery Limited (SIRRL)
- Renew Energy Limited (REL)

- Blue Planet Mantis limited or Blue Planet Special Waste Solutions
- Or any representative working on behalf of any of the above companies.

Kind regards
