Description of work

Documentation

In accordance with Section 176A of the Resource Management Act, an outline plan must show:

- (a) the height, shape, and bulk of the public work, project, or work; and
- (b) the location on the site of the public work, project, or work; and
- (c) the likely finished contour of the site; and
- (d) the vehicular access, circulation, and the provision for parking; and
- (e) the landscaping proposed; and
- (f) any other matters to avoid, remedy, or mitigate any adverse effects on the environment.

Please provide appropriate plans, details and assessments from relevant sources to satisfy the requirements above.

Privacy Statement

The information you provided in your application (including personal information) is official information. Your application documents, the details of this consent and any ongoing communications between you and Council will be held at Council's offices and maybe accessed upon request by a third party. Access to information held by Council is administered in accordance with the Local Government Official Information and Meetings Act 1987 and the Privacy Act 1993. Your information may be disclosed in accordance with the terms of these Acts. If you have any concerns about this, please discuss with a Council Planner prior to lodging your application.
