

Application for change to food control plan under Food Act 2014

Information Sheet and Checklist

When to use this form

- If you are wanting to change your registration type from a food control plan to a multi-site national programme, you need to complete a new application form for registration of a multi-site food business.
- If you only want a replacement certificate (where certificate has been lost or destroyed), you don't need to submit this form. Simply email info@tararua.govt.nz to request a copy of your certificate. Tararua District Council will email you a copy, so make sure you keep us up-to-date with your current email address.
- This form must be used when:
 - Applying for registration of a significantly amended¹ template food control plan under section 45 or 46 of the Food Act 2014 – such as adding a new place of food business, or a change to the scope of the food control plan that may have an effect on the safety and suitability of food; or
 - Notifying of a non-significantly (minor) amended¹ template or custom food control plan under section 45 or 46 of the Food Act 2014, such as a change in a type of food that is similar to an existing type of food identified in the food control plan; or
 - Notifying of a significant change in circumstances of a food control plan under section 51 of the Food Act 2014; or
 - Notifying of a voluntary suspension of a registered food control plan under section 64 of the Food Act 2014; or
 - Notifying of a surrender of registration of a food control plan under section 71 of the Food Act 2014.

Before you start, let's check that you have everything you need:

- You have your current registration ID on hand. If you aren't sure, check the public register of registered businesses here: <https://www.mpi.govt.nz/food-safety/food-act-2014/registers-and-lists/>.
- For applications for registration of significantly amended¹ food control plans:
 - documentation to confirm significantly amended food control plan.
- If the change relates to your scope of operations, a description of how your business scope of operations has changed (clearly marked additions and/or deletions). Find more information, and a form to fill in, by visiting [http://mpi.govt.nz/food-safety/food-act-2014/Forms and templates, Scope of Operations](http://mpi.govt.nz/food-safety/food-act-2014/Forms%20and%20templates%20Scope%20of%20Operations).
- If you are changing verification agency, a copy of the confirmation letter from your new verification agency. A list of recognised verification agencies can be found at [http://mpi.govt.nz/food-safety/food-act-2014/](http://mpi.govt.nz/food-safety/food-act-2014/Registers%20and%20lists) under 'Registers & lists'.
- If your business has changed name and is a registered limited liability company, a copy of the new company registration certificate. See www.companies.govt.nz.
- If you are altering, changing, adding, or removing addresses where food is handled, you need to make sure you have the address information on hand, and any new or changed site plans. A spreadsheet of the sites' information attached to your application is acceptable. You need to make sure you can confirm that every new or changed operator of the food businesses covered by the food control plan is resident in New Zealand within the meaning of section yd 1 or yd 2 (excluding section yd 2(2)) of the Income Tax Act 2007, and provide company registration certificates for any limited liability companies.
