Subject: Request for information.

EXTERNAL EMAIL ALERT: Caution advised. This message is from an external sender. Verify the sender's identity and use caution with attachments and links.

9th February 2025.

Dear Tararua District Council,

Request for Information under the Official Information Act 1982

I am writing to request information under the provisions of the Official Information Act 1982 regarding the “automatic reversal provisions” of the *Land Transport Rule: Setting of Speed Limits 2024*.

Specifically, I would like to know which local roads within your jurisdiction are affected by these automatic reversal provisions. This information is of interest to me in understanding how speed limits may be adjusted or impacted by this rule within your area.

To clarify, I am seeking a list of roads or routes that have been impacted, including details of any changes to speed limits, if applicable. If there are no roads currently affected by these provisions, I would appreciate confirmation of that as well.

In accordance with the Official Information Act, I kindly request that you provide this information within the statutory timeframe of 20 working days. If the requested information is held in any particular format, or if it would require a substantial amount of time or resources to compile, please advise me of any applicable charges or time extensions.

Should you require any further details to process my request, I am happy to provide them.

Thank you for your assistance, and I look forward to your response.

Yours faithfully,

[REDACTED]
