## 1 Freedom Camping Bylaw

- 1.1. This Bylaw is the Tararua Freedom Camping Bylaw 2025, made under sections 11 and 11A of the Freedom Camping Act 2011.
- 1.2. This Bylaw revokes Tararua District Council's Freedom Camping Policy (found in Schedule 2 of the Public Places Bylaw 2024) from a date to be confirmed, following the consultation process.
- 1.3. Compliance with this Bylaw does not remove the requirement to comply with all other acts, regulations, bylaws and rules, and directions of enforcement officers or other authorised persons. This includes but is not limited to restrictions on parking; using public places; lighting of fires; littering and excessive noise. Reference should also be made to Council's bylaws including the Public Places Bylaw; Alcohol Bylaw; Waste Management and Minimisation Bylaw; and Traffic and Road Use Bylaw.

**Explanatory note:** *The provisions of this Bylaw only apply to areas under the control of the Tararua District Council. It does not apply to places managed as camping grounds; or to land owned or controlled by organisations other than Council (for example, the Department of Conservation, Land Information New Zealand and The New Zealand Transport Agency), or privately owned land.*

## 5 General Provisions for Freedom Camping

- 5.1 Freedom camping in a self-contained motor vehicle is permitted in any local authority area within the District unless it is prohibited or restricted in an area:

- a) under clause 6 or 7 of this Bylaw; or
- b) under any other legislation or Bylaw; or
- c) in the case of a self-contained motor vehicle, by the limit placed on the maximum number of people for which the vehicle is certified.

***Explanatory note:*** Other legislation includes the Reserves Act 1977, which generally prohibits camping in reserves (pursuant to section 44) and provides for infringement notices to be issued. The Schedules to this Bylaw show areas where freedom camping is either prohibited or restricted, and also show areas of reserve land. The Schedules do not cover all reserves where freedom camping is either prohibited or restricted. For complete information about reserves see the Council's Reserve Management Plan.

- 5.2 Freedom camping using a motor vehicle that is not self-contained, or a tent or a temporary structure, is permitted in a local authority area within the District, but only if:

- a) it is used in an approved non-self-contained / tent area as applicable (as indicated in Schedule 2), and carried out in accordance with any restrictions and conditions imposed under this Bylaw; or
- b) it is otherwise permitted under other legislation.

**Explanatory note:** Examples of other legislation that may allow for non-self-contained motor vehicles include: reserve management plans under the Reserves Act 1977, bylaws made under the Local Government Act 2002 (including Council's Traffic and Road Use Bylaw), or rules in a regional or district plan.

5.3 A person freedom camping in local authority areas (including in permitted and restricted areas) must:

- a) Not stay in the same area in the District for more than five (5) nights consecutively or cumulatively in any 30 day period;
- b) Leave the area in a clean and tidy state, free from damage;
- c) Not light any fires at the area;
- d) Comply with the noise requirements set out in the operative District Plan;
- e) Not prevent others from undertaking legitimate activities in the area;
- f) Not restrict public access to public areas;
- g) Empty on-board storage tanks on a regular basis at a Council approved dump point;
- h) Dispose of solid waste in Council rubbish bins or at facilities marked for waste management;
- i) Use the public toilet facilities available, if no self-contained facilities are available on-board the vehicle;
- j) Park vehicles within existing marked parking spaces or within identified parking areas, whichever is present. Where marked parking spaces are present, only one vehicle per marked space is allowed;
- k) Legally park vehicles;
- l) Comply with any reasonable directions of an enforcement officer, including requests to view self-containment certificates and/or warrants;
- m) Ensure that they do not behave in a manner which, in the opinion of an enforcement officer, causes a nuisance or unreasonable disturbance, through the creation of excessive noise, to other persons camping in the area or local residents;
- n) Not use public facilities to wash dishes; wash clothes; dry clothes; or bathe (except for facilities designated for that purpose).

5.4 Clause 5.3(a) does not apply where Schedule 2 of this Bylaw provides for a different period for a specific area.

5.5 Despite clause 5.3, a person may freedom camp contrary to these conditions if they have obtained consent from Council, granted under clause 8.1 of this Bylaw, and they comply with any conditions of that permit.

**Explanatory Note:** Public facilities include public toilets, water taps (except for collecting water), flora and fauna or/and structures e.g. fences, signs and bollards.

## 6 Prohibited Areas

- 6.1 A person must not freedom camp in any area identified in **Schedule 1: Prohibited Areas**.
- 6.2 Despite subclause (1), a person may freedom camp in any prohibited area if they have obtained the prior written consent of Council, granted under clause 8.1 of this Bylaw, and complies with any conditions on the consent.

## 7 Restricted Areas

- 7.1 A person may freedom camp in any area identified in **Schedule 2: Restricted Areas** but must comply with the restrictions listed for that area in Schedule 2.
- 7.2 Despite subclause (1), a person may freedom camp in any restricted area if they have obtained the prior written consent of Council, granted under clause 8.1 of this Bylaw, and complies with any conditions of that consent.

## 8 Prior Consent from Council

- 8.1 Council may grant consent to a person to freedom camp in any prohibited area, restricted area, or non-self-contained area, contrary to any prohibition, restrictions, or conditions that apply to that area under this Bylaw.
- 8.2 An application for consent must be made in writing to Council at least 20 days in advance of the date planned for freedom camping in the area.
- 8.3 Any application for a consent must provide sufficient detail about the proposed freedom camping, including why the freedom camping will not comply with one or more of the requirements or conditions of this Bylaw and what efforts will be made to otherwise comply.
- 8.4 If Council grants an application, it may impose any conditions it considers appropriate that are consistent with the purpose of this Bylaw.
- 8.5 If Council refuses an application, it must inform the applicant of the reasons for the decision.
- 8.6 An enforcement officer may revoke a consent given under clause 8.1 if any person breaches the conditions specified in the consent or the freedom camping covered by the consent otherwise breaches this Bylaw or the Act.

## 9 Temporary Closure of Freedom Camping Areas

- 9.1 Council may temporarily close any local authority area (or part of such area) in which freedom camping can be undertaken to some or all types of freedom camping where the closure is considered necessary to:
- a) repair damage that significantly affects the use of the local authority area or facilities in the area for freedom camping, or
  - b) prevent damage occurring where there is an immediate threat of damage that would otherwise require the Council to close the area to repair the damage; or
  - c) allow maintenance to be carried out on the local authority area or facilities; or
  - d) ensure public health and safety can be maintained by ensuring safe public access to and from temporary events and occasions.
- 9.2 Notice will be given of any temporary closure, and the removal of any closure, in any manner Council considers is appropriate to the reason for the closure. The publicity may occur before the closure, but only if that is reasonably practicable.

## 10 Relationship of Bylaw with Treaty Settlement Legislation

- 10.1 This Bylaw does not limit or affect the rights of iwi entitlements under any legislation passed in order to give effect to settlements under the Treaty of Waitangi.

## 11 Offences

- 11.1 Section 20(1) and 20C of the Act specifies the infringement offences applicable to local authority areas, which include that every person commits an offence who –
- a) freedom camps in a local authority area in breach of any prohibition or restriction in this Bylaw that applies to the area; or
  - b) makes preparations to freedom camp in a local authority area in breach of any prohibition or restriction in this Bylaw that applies to the area.
- 11.2 For the purposes of section 20(1)(a) and (f) of the Act, any person who has obtained the prior written consent of the Council, granted under clause 8.1 of this Bylaw, and who complies with any conditions on the consent, is not acting in breach of any prohibition or restriction in this Bylaw.

## 12 Penalties

- 12.1 As specified in section 20E of the Act, every person who commits an infringement offence under the Act is liable to the infringement fine specified in regulations made under the Act.
